HLK-2210 电子花样缝纫机

HLK-2210/1510 是海菱电子花样缝纫机的系列产品。配置高精度电脑控制系统，高性能伺服电机驱动，在规定范围内可任意设定缝纫式样。结构设计严谨，传动精密可靠。通过编程器能进行花样图型、针数、线迹长度的设定。花样输入、修改、调用便捷。也可通过 USB 接口输入预先编好程序的各种图型进行缝纫加工。是箱包、包袋、服装等行业用于加固缝、装饰缝的高效专用设备。

HLK-2210/1510 are products of Highlead brand electronic pattern sewing machine series. Equipped with high accurate electronic control system and high performance servo motor driving, sewing pattern, stitch number and stitch length can be set at discretion within the range by a programmer or USB connection. With the feature of precise design, precise driving, convenient pattern input, convenient pattern revision and convenient pattern recall, it is a high efficient equipment for bar tacking and decoration stitching in the industries of trunk & bag, garment, etc.
